

Homebuyer's Process

Exiting Home Purchase

Homebuyers who participate in the Homebuyer Program should expect to purchase a home within the average range of time specified below:

Average time to purchase a home from application to move-in.

Existing Home Purchase: 154 to 200 days

New Construction Purchase: 364 to 410 days

Please note that program applicants may be able to purchase an existing or new home under or beyond the range of time identified above based on factors beyond CF CDC's control, including the applicant's performance.
